Driving Licence (Category B)

EDUCATION

Computer Science Engineering Degree
University of Technology of Belfort-Montbéliard
2023 - 2028 Belfort (90) - France

Study Abroad Semester - Erasmus
Technical University of Košice
February 2025 - June 2025 Košice - Slovakia

Certificate from Preparatory Class (CPGE)
Lycée Henri-Poincaré
Sept 2022 - June 2023 Nancy (54) - France
MPSI track - Grade: Good (Mention bien) C

French Baccaauréat (High School Diploma)
Lycée Édouard Belin
2019 - 2022 Vesoul (70) - France
Highest honours with jury commendation - Specialisations:
Mathematics & Physics-Chemistry

EXPERIENCE

Seasonal Worker - Laundry Operator
Adapei Pro 70
2024 - 2026 Vesoul (70) - France
• Sorting laundry & programming the flatwork ironer in the soiled linen area
• Drying on a large calendar press in the clean linen area

Factory Internship (ST10) - Press Operator
AMTE (Augé Microtechnics) - AMTP Site
January 2024 Thise (25) - France
• Operating multi-slide presses
• Metrological quality control of parts

PROJECTS

DESTORY
Independent Role-Playing Game (RPG)
2018 - Present
A heartfelt story where the player can progress without violence

Neptune/OS
Experimental Operating System in C and Assembly
2025

PROFILE

ST40 Assistant Engineer Internship in Computer Science - 23 to 26 working weeks - September 2026

CERTIFICATIONS

- CCNA 1 & 2
2026
- Goethe-Zertifikat
German B1 - 2024
- PIX
548 points - 2022
- ETS TOEIC
890/990 - English B2 - 2022-2024

SKILLS

- Hard-working Team management
- Organisation Attentive Conscientious
- C C++ Java Assembly Python
- SQL Version Control Networking
- Game Development

LANGUAGES

French	C2
English	C1
German	B1
Italian	A2
Slovak	A1

INTERESTS

- Mathematics
Multilinear algebra, topology, ...
- Foreign Languages & Cultures
Language skills, intercultural codes
- Music
Composition, piano
- GameDev Club
Game Jams, project management
